

DRAFT – 2023 -2026 Strategic Area Plan Goals

Focus Area 1: Community Conditions	Target Date
Goal statement: Older Ohioans and individuals with disabilities will have the opportunity to apply for, qualify for and receive public benefits through services such as Medicare savings programs, home modifications and repairs, rental assistance and transportation services.	12/31/2026
Plan for measuring overall goal success – How will you know that you have achieved the results you want? The number of older adults and individuals with disabilities that receive public benefits, home repairs and assistance with transportation.	

Focus Area 1 Objectives, Strategies and Steps to Meet Your Agency's Goal				
Objective 1.1: Improve Financial Stability				
Funding Sources Supporting these Strategies (select all that apply):

Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	Action Steps <i>(Include details such as specific programs or services you will implement, frequency, location, who is responsible/partners, how will you communicate progress, etc.)</i>	Evidence of completion <i>(How will you know the strategies and steps have been completed and done well?)</i>	Target Date
SNAP enrollment	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	Work with community partners to provide outreach to increase enrollment for SNAP.	Select a basic measure: # of consumers, service recipients, or participants OR Other measure not listed (describe): Click or tap here to enter text.	12/31/2026
Malnutrition prevention and treatments	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males	Increase the number of mobile markets during the Senior Farmers’ Market Nutrition Program season.	Select a basic measure: # of consumers, service recipients, or participants OR Other measure not listed (describe): Click or tap here to enter text.	12/31/2026
	<input checked="" type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency			

Objective 2.2: Improve Physical Activity

Funding Sources Supporting these Strategies (select all that apply):

Title III SCS ARPA CARES NSIP Alzheimer's Respite Other Federal Funding (specify): Click or tap here to enter text. Other State Funding (specify): Click or tap here to enter text. Local Levy Other (specify): Click or tap here to enter text.

Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	Action Steps <i>(Include details such as specific programs or services you will implement, frequency, location, who is responsible/partners, how will you communicate progress, etc.)</i>	Evidence of completion <i>(How will you know the strategies and steps have been completed and done well?)</i>	Target Date
Physical activity programs	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males	Provide Bingocize to seniors in our region to increase physical activity in a fun way.	Select a basic measure: # of consumers, service recipients, or participants OR	12/31/2026
	<input checked="" type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency		Other measure not listed (describe): Click or tap here to enter text.	

Focus Area 3: Access to Care	Target Date
Goal statement: Older adults and adults with disabilities can remain living in their homes and receive services. Caregivers will have access to services and resources to assist in the care provided to their loved ones.	12/31/2026
Plan for measuring overall goal success – How will you know that you have achieved the results you want? The number of older adults, adults with disabilities and caregivers that receive services which they have found beneficial.	

Focus Area 3 Objectives, Strategies and Steps to Meet Your Agency’s Goal				
Objective 3.1: Improve Health-care Coverage and Affordability				
Funding Sources Supporting these Strategies (select all that apply): <input checked="" type="checkbox"/> Title III <input type="checkbox"/> SCS <input type="checkbox"/> ARPA <input type="checkbox"/> CARES <input type="checkbox"/> NSIP <input type="checkbox"/> Alzheimer’s Respite <input type="checkbox"/> Other Federal Funding (specify): Click or tap here to enter text. <input type="checkbox"/> Other State Funding (specify): Click or tap here to enter text. <input type="checkbox"/> Local Levy <input type="checkbox"/> Other (specify): Click or tap here to enter text.				
Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	Action Steps <i>(Include details such as specific programs or services you will implement, frequency, location, who is responsible/partners, how will you communicate progress, etc.)</i>	Evidence of completion <i>(How will you know the strategies and steps have been completed and done well?)</i>	Target Date
Health insurance enrollment and coverage	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer’s disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	Monitor and analyze proposed legislation that addresses the gaps in Medicare’s lack of comprehensive coverage (i.e., hearing, vision, and oral health services). WRAAA Board’s Public Policy Committee will review proposed legislation for possible action. Advocacy in Motion – a WRAAA initiative- will be educated on the issues and take advocacy action.	Select a basic measure: Choose an item. OR Other measure not listed (describe): WRAAA Board of Trustees through its Public Policy Committee and Advocacy in Motion will take appropriate advocacy action as needed by training volunteers.	12/31/2026

Strategy 3.2: Improve Home and Community-based Supports

Funding Sources Supporting these Strategies (select all that apply):

Title III SCS ARPA CARES NSIP Alzheimer's Respite Other Federal Funding (specify): Medicare Other State Funding (specify): Click or tap here to enter text. Local Levy Other (specify): Medical Mutual

Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	Action Steps <i>(Include details such as specific programs or services you will implement, frequency, location, who is responsible/partners, how will you communicate progress, etc.)</i>	Evidence of completion <i>(How will you know the strategies and steps have been completed and done well?)</i>	Target Date
Home- and community-based care coordination	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	Through the use of BRI Care Consultation caregivers will receive assistance through the coordination of services for themselves and the care recipients.	Select a basic measure: % of recipients satisfied with program or service received OR Other measure not listed (describe): Click or tap here to enter text.	12/31/2026
Transitions to home- and community-based care	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	To assist with self-management skills for individuals who are transitioning from the hospital to home.	Select a basic measure: % of participants with increased knowledge, skill, ability, or confidence as a result of the program OR Other measure not listed (describe): Consumer participation in the program will reduce rehospitalization rates less than 10%.	12/31/2026
Telehealth	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input checked="" type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	Through the use of technology, provide case management, coordination of services and health coaching.	Select a basic measure: # of consumers, service recipients, or participants OR Other measure not listed (describe): Click or tap here to enter text.	12/31/2026

Strategy 3.3: Improve Home Care Workforce Capacity and Caregiver Supports

Funding Sources Supporting these Strategies (select all that apply):

Title III SCS ARPA CARES NSIP Alzheimer's Respite Other Federal Funding (specify): Click or tap here to enter text. Other State Funding (specify): Click or tap here to enter text. Local Levy Other (specify): Click or tap here to enter text.

Strategies	Priority Populations <i>(Select the priority population(s) your organization would like to focus on or prioritize for each strategy)</i>	Action Steps <i>(Include details such as specific programs or services you will implement, frequency, location, who is responsible/partners, how will you communicate progress, etc.)</i>	Evidence of completion <i>(How will you know the strategies and steps have been completed and done well?)</i>	Target Date
General caregiver supports	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	Through the use of BRI Care Consultation to coordinate services for both the care recipient and caregiver to offer support.	Select a basic measure: % of participants with increased knowledge, skill, ability, or confidence as a result of the program OR Other measure not listed (describe): Click or tap here to enter text.	12/31/2026
General caregiver supports	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	The Family Caregiver Support Program provides information, respite services, education and support groups to caregivers.	Select a basic measure: # of consumers, service recipients, or participants OR Other measure not listed (describe): Click or tap here to enter text.	12/31/2026
Respite care	<input checked="" type="checkbox"/> Ohioans of color <input checked="" type="checkbox"/> Ohioans with disabilities <input checked="" type="checkbox"/> Low income or educational attainment <input checked="" type="checkbox"/> Rural or Appalachian regions <input checked="" type="checkbox"/> Immigrant or refugee <input checked="" type="checkbox"/> Religious minorities <input checked="" type="checkbox"/> LGBTQ+ <input type="checkbox"/> Older adults who live alone <input checked="" type="checkbox"/> Older females <input checked="" type="checkbox"/> Older males <input checked="" type="checkbox"/> Older individuals with Alzheimer's disease and related disorders <input checked="" type="checkbox"/> Older individuals at risk of institutional placement (including Holocaust survivors) <input checked="" type="checkbox"/> Older individuals with limited English proficiency	To coordinate respite services for the caregiver which will allow the caregiver to take a break from their caregiving efforts.	Select a basic measure: # of consumers, service recipients, or participants OR Other measure not listed (describe): Click or tap here to enter text.	12/31/2026

Focus Area 4: Social Connectedness	Target Date
Goal statement: Older adults and persons with disabilities may experience increased social isolation and/or loneliness. The effect of social isolation and loneliness on mortality is comparable to that of other well-established risk factors such as smoking, obesity, and physical inactivity (World Health Organization, 2022). WRAAA will expand its telephone reassurance program (TeleCare) as well as develop other strategies to improve social connectedness for older adults and persons with disabilities.	12/31/2026
Plan for measuring overall goal success – How will you know that you have achieved the results you want? WRAAA will identify additional consumers who may need TeleCare and offer the program to them; The TeleCare program census will increase; Partnerships will be developed to raise awareness about the need for social connectedness; and Partners will plan an educational opportunity to train community stakeholders about the issue of social isolation and loneliness.	

Focus Area 4 Objectives, Strategies and Steps to Meet Your Agency's Goal

Objective 4.1: Improve Social Inclusion
