### November 2018

#### Know the 10 Signs: Early Detection Matters

For info or to register contact:  
phone: **440-580-3275** or email:

November 08, 2018 10:00 am - 11:00 am  
Ehrnfelt Senior Center  
18100 Royalton Road, Strongsville, OH 44136,

***This workshop will stress the importance of early detection for Alzheimer's disease and other dementias. As 10 million baby boomers risk developing Alzheimer's, early detection of the disease becomes critical to future planning. Knowing the warning signs of Alzheimer's and getting diagnosed early is vital to receiving the best help and care possible.***

#### Effective Communication Strategies

For info or to register contact:  
phone: **800-272-3900** or email:

November 13, 2018 12:30 pm - 1:30 pm  
Cornerstone United Methodist Church  
2949 West River Road, Elyria, OH 44035,

***Communication is more than just talking and listening- it's also about sending and receiving messages through attitude, tone of voice, facial expressions, and body language. As people with Alzheimer's disease and other dementias progress in their journey and the ability to use words is lost, families need new ways to connect. Join us to explore how communication takes place when someone has Alzheimer's, learn to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to help you to connect and communicate at each stage of the disease.***

#### Healthy Living for Your Brain and Body: Tips from the Latest Research

For info or to register contact:  
phone: **800-272-3900** or email:

November 15, 2018 6:00 pm - 7:00 pm  
Vista Springs Quail Highlands  
7960 Auburn Road, Concord Township, OH 44077,

***For centuries, we've known that the health of the brain and the body are connected. But now, science is able to provide insights into how to optimize our physical and cognitive health as we age. Join us to learn about research in the areas of diet and nutrition, exercise, cognitive activity and social engagement, and use hands-on tools to help you incorporate these recommendations into a plan for healthy aging.***

#### Healthy Living for Your Brain and Body: Tips from the Latest Research

For info or to register contact:
