

Education Calendar 2019 – 2020

May

Understanding Alzheimer's and Dementia

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

May 3, 2019 9:00 am – 10:00 am

Collinwood Recreation Center, 16300 Lakeshore Boulevard, Cleveland, OH 44110

Alzheimer's disease is not a normal part of aging. Join us to learn about the impact of Alzheimer's; the difference between Alzheimer's and dementia; stages and risk factors; current research and treatments available for some symptoms; and Alzheimer's Association resources

Understanding Dementia Related Behavior

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

May 8, 2019 12:00 pm – 1:00 pm

Olmsted Falls Senior Center, 26100 Bagley Road, Olmsted Falls, OH 44138

Behavior is a powerful form of communication and is one of the primary ways for people with dementia to communicate their needs and feelings as the ability to use language is lost. However, some behaviors can present real challenges for caregivers to manage. Join us to learn to decode behavioral messages, identify common behavior triggers, and learn strategies to help intervene with some of the most common behavioral challenges of Alzheimer's disease.

Effective Communication Strategies - CEU

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

May 8, 2019 6:00 pm – 7:00 pm

Tapestry Senior Living Wickliffe, 28500 Euclid Avenue, Wickliffe, OH 44091

Communication is more than just talking and listening- it's also about sending and receiving messages through attitude, tone of voice, facial expressions, and body language. As people with Alzheimer's disease and other dementias progress in their journey and the ability to use words is lost, families need new ways to connect. Join us to explore how communication takes place when someone has Alzheimer's, learn to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to help you to connect and communicate at each stage of the disease.

10 Warning Signs of Alzheimer's

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

May 9, 2019 1:00 pm – 2:00 pm

St. Martin DePorres Senior Center, 1264 E. 123rd, Cleveland, OH 44108

Alzheimer's and other dementias cause memory, thinking and behavior problems that interfere with daily living. Join us to learn how to recognize common signs of the disease; how to approach someone about memory concerns; the importance of early detection and benefits of a diagnosis; possible tests and assessments for the diagnostic process, and Alzheimer's Association resources.

Understanding Dementia Related Behavior

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

May 10, 2019 9:00 am – 10:00 am

Collinwood Recreation Center, 16300 Lakeshore Boulevard, Cleveland, OH 44110

August 21, 2019 10:00 am – 11:00 am

Ehrnfelt Senior Center, 18100 Royalton Road, Strongsville, OH 44136

This program is designed for diagnosed individuals and their family members who want to learn what legal documents are essential to manage family affairs and learn how to prepare to finance long-term care. Participants will have the opportunity to get their questions answered by an attorney who specializes in Elder Law.

Effective Communication Strategies

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

August 21, 2019 6:00 pm – 7:00 pm

Atria Newell Creek, 7900 Center Street, Mentor, OH 44060

Communication is more than just talking and listening- it's also about sending and receiving messages through attitude, tone of voice, facial expressions, and body language. As people with Alzheimer's disease and other dementias progress in their journey and the ability to use words is lost, families need new ways to connect. Join us to explore how communication takes place when someone has Alzheimer's, learn to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to help you to connect and communicate at each stage of the disease.

Healthy Living for Your Brain and Body: Tips from the Latest Research

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

August 24, 2019 10:00 am – 11:30 am

Chardon United Methodist Church, 515 North Street, Chardon, OH 44024

For centuries, we've known that the health of the brain and the body are connected. But now, science is able to provide insights into how to optimize our physical and cognitive health as we age. Join us to learn about research in the areas of diet and nutrition, exercise, cognitive activity and social engagement, and use hands-on tools to help you incorporate these recommendations into a plan for healthy aging.

10 Warning Signs of Alzheimer's

For info or to register: phone **800-272-3900**

Dementia Conversations

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

September 26, 2019 6:00 pm – 7:00 pm

Danbury Senior Living, 9500 Broadview Road, Broadview Heights, OH 44147

When someone is showing signs of dementia, it's time to talk. Often, conversations with family about changing behaviors can be challenging and uncomfortable. This program provides tips for breaking the ice with your family so you can address some of the most common issues that are difficult to discuss: going to the doctor for a diagnosis or medical treatment, deciding when to stop driving, and making legal and financial plans for future care.

October

Understanding Dementia Related Behavior

For info or to register: phone **800-272-3900**

Online - <https://goo.gl/yknto1>

October 16, 2019 6:00 pm – 7:00 pm

Atria Newell Creek, 7900 Center Street, Mentor, OH 44060

Behavior is a powerful form of communication and is one of the primary ways for people with dementia to communicate their needs and feelings as the ability to use language is lost. However, some behaviors can present real challenges for caregivers to manage. Join us to learn to decode behavioral messages, identify common behavior triggers, and learn strategies to help intervene with some of the most common behavioral challenges of Alzheimer's disease.

Legal and Financial Issues – Planning for the Future
