OVERVIEW OF FUNDED SERVICES AND APPLICABLE SERVICE SPECIFICATIONS

The Alzheimer's Respite program services must be provided to an individual with Alzheimer's disease or related dementia who has a family caregiver. The term "*family caregiver*" means an adult family member or another individual, who is an informal provider of in-home and community care to an older individual and/or an individual with Alzheimer's Disease or a related disorder with neurological and organic brain dysfunction and includes an unpaid provider of in-home care to an individual of any age with Alzheimer's disease or related dementia.

Short descriptions of the Respite service follow:

- **Adult Day Service (ADS):** ADS means a regularly scheduled service delivered at an ADS Center, in a non-institutional community-based setting. ADS includes (i) recreational and educational programming to support a consumer's health and independence goals; (ii) at least one meal, but no more than two meals per day; and sometimes, (iii) health status monitoring, skilled therapy services, and transportation to and from the ADS center. *Rule 173-3-06.1*

There are three levels of ADS: "basic," "enhanced" and "intensive," as defined by O.A.C. §173-3-06.1. Applicants should indicate in their proposal whether they have the capability to provide one, two or all three levels of ADS. This will be considered when evaluating the unit cost of the service.

- **Alzheimer's Respite Reimbursement:** Funds to be given to the family caregiver of persons with Alzheimer disease or other dementia to purchase respite services, including:
 - a) In-home services to provide visitation, homemaker and/or personal care
 - b) Adult Day programs
 - c) Short-term institutional care
- **Short Term Institutional Care:** Respite for 24 hours or more in a hospital or other institutional setting. *ODA Policy 316.00*

All Applicants must also comply with the **Conditions of Participation** relating to the operation of the organization, the ODA Rules Requirements for an AAA Provider Agreement (Rule 173-3-06), and the Criminal Background Check requirement (Rule 173-9). Cost sharing is not mandatory but is allowable and encouraged for Adult Day Service and Institutional Care. If cost sharing procedures are implemented for these services, they must comply with the Consumer Contributions requirement (Rule 173-3-07). In addition, Applicants must comply with the specifications related to the service they provide. All contracted Providers will be monitored for compliance by the Western Reserve Area Agency on Aging.

APPLICATION REVIEW PROCESS

1. All applications deemed complete and accepted for further consideration by WRAAA are evaluated by WRAAA staff; funding recommendations for a proposal may be developed.
2. The WRAAA Chief Executive Officer will provide final input on the evaluations to the WRAAA Board of Trustees for the final funding decision.

EVALUATION CRITERIA

Each proposal accepted for further consideration by WRAAA will be evaluated and scored using the following criteria:

Criteria	Maximum Score
Need for the proposed service within the continuum of service(s) available in the Applicant's geographic service area.	20
Applicant meets all Conditions of Participation as outlined in the RFP and provides evidence of ability to document service in an accurate and timely manner.	10
Applicant demonstrates knowledge and experience delivering proposed service(s) at the time of application and the capacity to deliver the service in accord with ODA defined service specifications.	20
Applicant demonstrates cost effectiveness, based on an itemization of the costs that comprise the total proposal price for the service.	10
Applicant demonstrates knowledge and experience serving persons with Alzheimer's Disease and their caregivers.	20
Applicant clearly defines the needs of a specific geographic service area and demonstrates the ability to conduct targeted outreach to priority populations to provide services to meet needs.	20
TOTAL	100

Each proposed service will be evaluated and scored separately. All services will be ranked by score within each county. This is a proposal process that offers, to the maximum extent practical, open, and free competition consistent with the requirements of OAC §173-3-05, 45 CFR §75.329(d) and/or other applicable law. Successful proposals from a responsible firm or company will comply with all RFP requirements and will demonstrate the ability to cost-effectively meet the specifications described herein in a way that will be most advantageous to WRAAA's Alzheimer's Respite Program, with price and other factors considered.

The scoring system is used to compare and rank proposed services among Applicants within each county. However, funding decisions are not determined by scores and rankings alone.

- WRAAA considers priorities related to geographic, demographic, and socioeconomic factors in the review process.
- WRAAA reserves the right to select one or more lower ranked services in order to achieve a continuum of services for targeted populations.
- WRAAA reserves the right to award Applicants less or more funding than requested.
- WRAAA reserves the right to cap the unit cost reimbursement rate.
- WRAAA reserves the right to reject any or all proposals received in response to this Request for Proposal, to reject any part or parts of any proposal, to request additional materials from any or all Applicants, to conditionally select proposals for funding, and to waive any formality in any proposal. Any proposal which is incomplete, conditional, obscure, or which contains additions not requested or irregularities of any kind may be rejected. All Applicants must be in good standing with the WRAAA. WRAAA reserves the right to make changes in Program requirements, procedures, and terms after proposals have been submitted, opened and reviewed in order to maximize delivery of services consistent with the objectives of WRAAA's Program.

Following receipt of proposals WRAAA reserves the right to take any of the following actions, if advantageous to its Program, with price and other factors considered:

- Negotiate price
- Establish a ceiling rate for services
- Award to multiple providers
- Eliminate any term or condition that is not advantageous to WRAAA, its consumers or funders.

NOTIFICATION OF AWARDS

Final approval will take the official form of a Provider Agreement with the Western Reserve Area Agency on Aging. Service shall begin January 2022. **Payment** will not be made for service units unless a fully executed Provider Agreement is in place. Therefore, it is important that all contracting materials be completed correctly and submitted by the announced deadlines, so that the Provider Agreement can be fully executed timely.

CONTRACTING

The contracting method for Alzheimer's Respite funds is **Purchase of Service**. A Provider is reimbursed for units of service delivered, based upon the contracted Alzheimer's Respite unit cost.

The Alzheimer's Respite unit cost is proposed by the Applicant and must be based upon the actual cost of providing the service. The proposed unit cost is considered during the proposal evaluation. The unit cost reimbursement rate is not specified by WRAAA nor is it negotiated. However, WRAAA reserves the right to cap the unit cost reimbursement rate.

The Provider must provide 100% of the contracted units to achieve 100% reimbursement of contracted funds. If the Provider does not deliver all service units during the contract period, unused Alzheimer's Respite funds do not carry over from one state fiscal year to another.

The WRAAA staff monitors the utilization of all contracted funds monthly. If any contracted Provider has not utilized at least 50% of contracted funds by April 30, 2022, the award may be reduced and the WRAAA may reallocate funds within the state fiscal year without a new Request for Proposal.

DONATIONS, COST SHARING AND MATCHING FUNDS

Matching Funds

Alzheimer's Respite Funds do not require a match.

Cost Sharing

Cost sharing is not mandatory but is encouraged for Adult Day Service, Alzheimer's Respite Reimbursement and Short-Term Institutional Care in accord with ODA Policy 316.00. It is the choice of the Applicant to implement a cost share procedure. Calculations should be based on the most recent Federal Poverty Guidelines, which are updated periodically in the federal register by the US Department of Health and Human Services. *Rule 173-3-07*

Voluntary Contributions

Contracted Providers are encouraged to solicit and accept voluntary contributions (program income) for all Alzheimer's Respite services.

REPORTING

Reporting for Respite services provided shall be through the Wellsky Aging and Disability (A&D) database (formerly known as Social Assistance Management System (SAMS) Database).

Contracted Providers of Adult Day services, Alzheimer's Respite Reimbursement and Short-Term Institutional Care services shall be required to report Respite service delivery in the A&D database according to the *Ohio Department of Aging Reporting Requirements*. WRAAA will provide successful Applicants with a subscription and license to access A&D. Access and licenses to A&D system are limited to the contract period.

Consumers must be registered by the contracted Provider in the A&D system, and units of Respite service must be entered into the consumer's record on a monthly basis. A Request For Payment and print out of the A&D Monthly Agency Summary Report (in a format designated by WRAAA) must be submitted by the 10th day of the month following the provision of the Respite service.

Failure to meet required reporting deadlines may result in a delayed payment or forfeiture of award.

The A&D application is hosted remotely through Wellsky Information Systems, Inc. The application is accessible over the internet, without the need to install the application locally. Servers, network administration, updates, installations, maintenance, and disaster recovery are all handled by Wellsky and are included in the subscription service.

Each subscriber has a "domain", which is a controlled access area on Wellsky's server where applications and customer databases may be accessed by a Provider. The WRAAA systems administrator arranges access to the site through user ID's and passwords. When users log in to the domain, they are presented with the applications with respect to which the domain owner is licensed. Access to specific database information is controlled by the administrator of the application, just as if it were installed locally. The application is HIPPA compliant.

Contracted Providers will be required to follow standard operating protocols defined in the A&D **Standard Operating Protocol Guidelines** which define roles and responsibilities for WRAAA and partner agencies working in the A&D system, which is a consolidated statewide database system. The guide provides general guidelines for confidentiality, data use and access. All Applicants are required to provide assurance of compliance in order to access data and operating protocols.

MONITORING

Each Area Agency on Aging is responsible to the Ohio Department of Aging (ODA) for ensuring that all state and federal funds received from ODA are used in the manner that complies with State and Federal laws. WRAAA monitors all contracted Providers for compliance with applicable service specifications and Conditions of Participation. This includes an annual on-site visit or desk review to review service records and verify units of service reported for reimbursement.

AWARD APPEAL PROCESS

An Applicant may appeal an award decision made by WRAAA in accordance with OAC 173-3-09. Awards or award decisions will be sent by WRAAA by email, ordinary mail, certified mail or other method of delivery.

The process for an appeal is as required by state and federal law, and may be summarized as follows:

1. An appealing Applicant must submit an appeal letter, signed by the official authorized to sign the appeal, to the Chief Executive Officer of the WRAAA with a copy sent to the President of the Board of Trustees of the WRAAA, within two (2) working days of receipt of written notice of an adverse action taken by WRAAA. The ground for appeal must be specified in the appeal letter and must be based on one or more of the following:
 - a. **Mathematical Miscalculation**
The Applicant is appealing on the basis of mathematical miscalculation on the part of the WRAAA.
 - b. **Inconsistent Policy Application**
The Applicant is appealing on the basis that the WRAAA did not follow legally required processes or its own review requirements and criteria in considering the proposal and recommending an award.

c. Any Other Reason for Appeal Prescribed by Applicable Law

The Applicant is appealing for another reason prescribed by applicable law; provided, however, that no Applicant may appeal upon a claim or allegation that this RFP or RFP process is legally defective unless such Applicant has first, no later than 14 days prior to the Proposal Due Date, voiced such a complaint or allegation in writing to WRAAA.

2. If the Appeals Committee determines the appeal is not within the above-established criteria it shall so notify the appealing Applicant. If the Appeals Committee approves the appeal request and determines that the appeal is within the above-established criteria, a meeting of the Appeals Committee will be scheduled within five (5) working days, with an appearance by the appealing Applicant, to review both the appeal and the award decision, and to recommend final action by the Board of Trustees. An appealing Applicant will be notified of the date and time of the meeting. The Appeals Committee will render a final recommendation, in writing, within five (5) working days after the meeting, which shall become the final decision of the WRAAA unless properly appealed to the Board of Trustees.
3. An Applicant appealing to the Board of Trustees from a decision of the Appeals Committee may by letter appeal the notice that the appeal is not within the above established criteria, 1(a) to 1(c), or may by letter appeal the final recommendation of the Appeals Committee to the Board of Trustees, with a copy to the Chief Executive Officer of the WRAAA, within two (2) working days of receipt of written notice of the final recommendation of the Appeals Committee. The ground for appeal must be specified in the appeal letter.
4. The Board of Trustees, or in its absence the Board's Executive Committee, will review the appeal at its next meeting, adopt a final course of action and notify the appealing Applicant about its final decision in writing within five (5) working days. The decision of the Board, or its Executive Committee, shall be the final decision of WRAAA, which may be appealed by the Applicant to ODA in accordance with this RFP and applicable law.
5. An Applicant may request a hearing by the Ohio Department of Aging (ODA). ODA shall only honor a request for an appeal hearing before ODA if the Applicant has fully complied with the written process for appealing an adverse action by WRAAA and WRAAA has rendered its final decision on the appeal, and as required by applicable law.

To request a hearing before ODA, the Applicant shall comply applicable law no later than fifteen (15) business days after the date that WRAAA renders its final decision, in accordance with OAC 173-3-09 and/or other applicable state and federal law.

ODA shall hold a hearing and render its final decision on the appeal in accordance with applicable law and/or no later than thirty (30) business days after the date of the ODA hearing. The appeal process will comply with applicable state and/or federal law, including without limitation, OAC173-3-09. Existing contracts may be extended by WRAAA, in its sole discretion, to accommodate the appeal process of an Applicant, which extension shall not extend the contracts sought in this RFP beyond the end of their stated Term.

ODA is not an agent of WRAAA or authorized to speak or act for WRAAA in connection with this
