INTRODUCTION

As staff walk into the offices of WRAAA, they are greeted by our mission statement, proudly displayed in bold, vibrant lettering: "We provide choices for people to live independently in the place they want to call home."

Rising housing costs and limited accessibility have made safe, affordable housing urgent for older adults and individuals with disabilities on fixed incomes, risking instability and homelessness. Addressing this gap is crucial for their well-being. This guide continues WRAAA's efforts to address health determinants by providing resources to meet community needs, reduce insecurity, and promote independence for aging and disabled individuals. Whether the need is for more suitable living arrangements, accessing supportive housing or modifying existing homes, WRAAA explores a wide range of housing resources and services designed to meet the unique needs of our community by providing choices for people to live independently in the place they want to call home.

For further assistance, you can contact the WRAAA Aging and Disability Resource Center at **(216) 539-9240** or **(800) 626-7277**.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a contract with the State Medicaid Program. Enrollment in the plan depends on the plan's contract renewal with Medicare. Benefits, features and/or devices may vary by plan/area. Limitations, exclusions and/or network restrictions may apply. The plan only covers hearing aids from a UnitedHealthcare Hearing network provider. Other hearing exam providers are available in the UnitedHealthcare network. Network size varies by local market and exclusions may apply. Referrals are not needed when you travel and see providers in the UnitedHealthcare Medicare National Network, but referrals may be needed within your local network. Annual routine eye exam and an allowance for contacts or one pair of frames, with standard (single, bi-focal, trifocal or standard progressive) lenses covered in full every year. Review your Evidence of Coverage (EOC) for more information. Medicare Plan Expert is a licensed insurance sales agent/producer.
